With your help, we can do more for local people.

South West Yorkshire Partnership NHS Foundation Trust provides mental health, community, and learning disability services to help people reach their potential and live well in their communities.

We're committed to making volunteers part of our teams and we're delighted you want to join us. We need your valuable skills and experience so that we can go the extra mile for people who use our services. You can help us make a difference to the care we provide.

We've got a number of volunteer roles that all play part in making a difference to people's lives by providing non-clinical support people who use our services and our staff teams. No matter what your background, there's something for you.

By volunteering with us, you can give your community a voice in everything we do whilst building new friendships, improving your confidence and boosting your CV with experience in a health and care environment.
