We understand that the cost of living crisis is a concern for everyone. That is why the council is working with partner organisations from across the district through the Residents Recovery Group (RRG) to offer help, support, and advice to all residents through their local Help at the Hub venue.

The RRG was originally created to support residents through the Covid-19 pandemic but has since evolved to offering support with the cost of living crisis. The support available is vast, from foodbanks and pantries to money and debt advice, with the group working hard to ensure residents have support where needed.

Upcoming campaigns

We are working closely with the RRG and council services to ensure that the public are aware of the support and advice available to them. The campaigns team will also share a select number of social media assets on a regular basis with Councillors. If support is needed when using these, please email

✉ campaigns@wakefield.gov.uk

Over the coming months, the following campaigns will be produced and promoted using a mix of traditional and social media channels:

Wakefield Energy Schemes. Promotion of the free heating and insulation improvements available to homeowners and private renters. For more information on support available, see [page 12](#).

Energy Saving Advice. A series of easy-to-follow tips on how people can use less energy at home, showing the cost and carbon savings involved. For more information on support available, see [page 13](#).

Winter Wellness. The winter months often bring a range of respiratory and mental health issues. Messages will signpost to available support to help manage emotional and physical wellbeing.

WF Connect Cafés. A series of spaces called 'WFConnect Cafés' have launched in community venues across the district to support children, young people, and their families to be digitally connected. This campaign is currently being shared with CYP partners, schools, and staff working with children and young people. For more information on support available see [page 18](#).

Household Support Fund (£100 supermarket vouchers in December & January). Eligible residents will be contacted directly but the support package available will be promoted on the corporate council social media channels and on the website during the period of activity. More information on the fund is available on [page 10](#).

Warm Spaces. Warm spaces for residents will be promoted as part of a joint campaign under the Help at the Hub branding. More information is available on [page 18](#).

Help at the Hub. There will be ongoing promotion of the hubs as a resource for all residents, regardless of income, for support. This will replace promotion of the roadshows going forward, and more information on support is available on [page 4](#).

Benefits Calculator. Designed by Entitled To, the calculator will be promoted on social media and by partners as a useful tool for residents to find out more about any financial support available to them. Previous communication campaigns over the last year have helped residents access over £700k in additional benefits. More information on [page 10](#).

Help at the Hub

Help at the Hub is free for all residents in the Wakefield district to access and puts them in touch with a range of organisations who can offer impartial help and advice to anyone worried about **money, jobs, housing or health**.

The friendly advisers will:

- Never judge or make residents feel bad about their situation.
- Always be happy to talk to residents, however big or small the problem might be.

Citizens Advice advisers (available at the times mentioned below) can look at a resident's situation and check whether they are able to claim additional help or take steps to improve things. They can also refer them to a qualified debt adviser to find ways to manage debts - even if they think they have no spare money - or suggest ways to deal with the debts.

Some of the hubs also offer access to the internet and onsite staff can help residents use email or the web. Check with the venue for details of services available.

National debt advisers

Debt Service. The Citizens Advice Money Advice Team can help residents who are worried about money and struggling with bills and debt. The free, confidential service gives residents specialist debt advice (regulated by the Financial Conduct Authority) and support with the Breathing Space Scheme. The team are also registered Debt Relief Order Intermediaries.

The specialist debt advisers will help residents:

- Explore debt problems.
- Look at ways to reduce their outgoings.
- Explore the debt options they have and how they will affect them.
- Arm them with the facts so they can make an informed choice
- Offer practical assistance if needed, such as help filling in forms, writing letters or negotiating with third parties.

Specialist debt and money advice is open 9am–5pm Monday to Friday.

Citizens Advice Financial Capability Project

Citizens Advice Wakefield District are also working on the Financial Capability Project, which was funded by the council for 12 months and commenced on 1 July 2022. The project offers tailored guidance to residents and aims to help them gain the appropriate skills, knowledge, habits, and behaviours to maximise their current and future finances.

The project also helps residents to:

- Understand their budget and how to deal with flexi incomes to meet monthly expenditure.
- Budget effectively using budgeting tools.
- Look at ways to increase income and/or reduce expenditure.
- Understand banking, open an account that works for them; understand bank statements/fees and banking jargon.
- Understand the importance of savings and future planning.
- Understand credit and borrowing.
- Understand insurance, tax, and credit referencing.
- Get the best deals on energy, apply for grants, trust funds and energy efficiency measures to reduce cost.

The team can offer this guidance on a **one-to-one** basis and via **group** sessions. A one-to-one appointment can be booked by email.

✉ moneyadvice@wakefielddistrictcab.co.uk

The location of the appointments will take account of the clients need, however currently sessions are available across the week at:

- | | |
|---|---------------------------------------|
| ■ King Street (Wakefield City Centre). | ■ Warwick Ahead (Hub). |
| ■ Havercroft/Ryhill (Community Learning Project). | ■ Pontefract Library (One Stop Shop). |

As the project develops, the project hopes to expand its community reach, taking account of demand and staffing availability. If you would like to discuss establishing a regular venue for residents in your ward, please contact Mandy

✉ mandylarder@wakefielddistrictcab.co.uk

Discretionary Housing Payments (DHP)

If a resident is in receipt of Housing Benefit or the housing cost element of Universal Credit but the amount does not meet all their housing costs, they may be entitled to extra financial help.

The council has a limited fund of money which they can spend each year to help people who need extra help with these housing costs. A discretionary housing payment can cover housing costs including removal costs and rent in advance.

Prosper Together Fund

Wakefield and District Health and Community Support (WDHCS) has a Prosper Together Fund which is administered through Trusted Referrers such as Community Hubs, Anchors, CAB, WDH, WDH and the hospices. The funding is aimed at supporting:

- Households on The Edge
- Children and Young People
- Connectivity

Household Support Fund

Like previous support given in the Summer, the council's Benefits Team will be issuing supermarket vouchers to eligible residents over the winter period as follows:

- **Between 12 and 23 December 2022** a £100 supermarket voucher will be sent to families who receive council tax support.
- **Between 11 January and 10 February** a £100 supermarket voucher will be sent to residents who receive council tax support and are either a pensioner or receive a disability-related benefit residents who do not have any children in the household – any qualifying residents with children will already have received a voucher in December.

Once the voucher has been redeemed, it does not need to be spent all at once and can be used several times until the entire amount has been spent. All vouchers will be sent out automatically, and residents do not need to contact the council regarding this.

Some residents are not eligible for the vouchers but may still need support with food, energy and water bills. In these cases, our Trusted Referrer organisations including the Community Hubs, Community Anchors, CAB, WDH, DWP and the Hospices can refer residents to Local Welfare Provision.

Benefits Calculator

The benefits calculator is a new tool that residents can use to calculate the support they may be entitled to. It is a free and confidential tool which only aims to educate them. If residents need support applying for any of the benefits mentioned in the calculator, they can then access the Help at the Hub venues for support.

The calculator can be accessed through this link

🌐 [wakefield.gov.uk/
more-money-in-my-pocket/money](https://wakefield.gov.uk/more-money-in-my-pocket/money)

Please note that there is a login page to the calculator, but this is for residents to be able to return to the form later. Residents are not required to log in and can access the calculator as a 'guest' which will provide them with a reference number to use if they require to return to the information.

Cashwise from WDH

The Cashwise service offers free support and guidance to help service users to address financial issues and take control of their finances, whilst building financial confidence and resilience.

The Cashwise service is currently available to WDH tenants and/or young families across the district with children under 12, through the WDH Healthier Wealthier Wakefield Families initiative working in partnership with Public Health.

Cashwise can help service users to:

- Better understand their benefit options and identify benefit underclaim.
- Set up household budgets and offer support to budget effectively.
- Reduce outgoings.
- Begin to address problem debts.
- Maximise income by accessing appropriate grants and funds.
- Engage with other support services, both within WDH and with other external partners to encourage positive outcomes.
- Take steps to improve financial confidence and general wellbeing.

Residents can visit a WDH access point at two locations

📍 WDH Hub Pontefract
1 Horsefair
Pontefract WF8 1PE

📍 WDH Hub Wakefield
2 Bull Ring
Wakefield WF1 1HA

Many clients are signposted to the Cashwise service via other agencies, however, individuals who feel that they are struggling to manage their money can get in touch with the team.

Energy

Wakefield Energy Schemes

The council has various schemes running throughout the year that can support with the cost of heating and insulation improvements. The schemes change on a regular basis, and, for some schemes, residents may even qualify for the work to be completed free of charge.

Each scheme will have different qualifying criteria, and, for most schemes, residents don't need to be claiming a benefit to qualify. Plus, even if a resident has not been eligible before, this may change so they are encouraged to get in touch to find out what's available.

Energy Bill Relief Scheme

The government has an Energy Bill Relief Scheme for **non-domestic customers** such as businesses, voluntary sector organisations (such as charities) and public sector organisations (such as schools, hospitals, and care homes) who are:

- On existing fixed price contracts that were agreed on or after 1 December 2021.
- Signing new fixed price contracts.
- On deemed / out of contract or variable tariffs.
- On flexible purchase or similar contracts.

The support will be automatically applied to all eligible bills so no action is needed, however, to find out more about the scheme visit

Energy Saving Tips*

- Sticking to a 4-minute shower can save £95 a year.
- Stopping using the tumble dryer can save £70 a year.
- Switching appliances off at the plug instead of leaving them on standby can save £65 a year.
- Keep room temperatures at 18-21°C. Turning the heating down by 1°C can save £60 a year.
- Close the curtains at dusk to stop heat escaping through the windows.
- Fill up the washing machine or dishwasher - one full load uses less energy.
- Only boil as much water as needed.
- A dripping hot water tap wastes energy and, in one week, wastes enough hot water to half fill a bath.

* Typical installation costs and energy bill savings based on 3 bed semidetached property.

Food

Community Pantry

Community Pantries stock a wide range of top-quality food including fresh fruit and veg, frozen and chilled food, meat and dairy products, and long-life tinned and packaged food. Residents pay a small subscription of a few pounds a week, and in return can choose groceries worth many times more, often saving up to £1,000 a year on shopping bills. Pantries are just like a shop; in that you choose the food you want from the shelves.

The below list is of the current Community Pantries, although this list may change in the future as the number of pantries in our district grow.

Yorkshire Water

Yorkshire Water don't want anyone to worry about paying for the water they need. If residents are struggling to pay, there's immediate, short-term, and longer-term schemes they can apply for, such as:

- **Water Sure.** A bill cap scheme for customers who have a water meter, claim an income-based benefit, or who claim universal credit and need to use extra water because they have a medical condition or 3 or more children.
- **Water Support.** A bill cap scheme for customers who have a low household income, and their annual water bill is more than £350.
- **Community Trust.** A debt support scheme for customers who have arrears with Yorkshire Water between £50 and £2,000 and at least one priority debt.
- **Water Direct.** A debt support scheme for customers who receive a deductible income-based benefit.
- **Resolve.** A debt support scheme for customers who are struggling to catch up on previous water bills. The Resolve scheme could help residents be debt-free so they can continue paying their water bill in affordable amounts.
- **Payment Break.** If a resident's circumstances have changed and they are struggling to pay their bill or are concerned they may struggle in the future, they can apply for a payment break. For residents whose income has stopped, income has been significantly reduced or they are unable to travel to pay their bill.

Warm Spaces

We are working alongside voluntary, community and social enterprise organisations to establish a network of Warm Spaces across the whole district this winter.

Warm Spaces are places where people can gather for free in a warm, safe, welcoming place and enjoy a hot drink or food and some company.

A full list of venues will be distributed to members in the coming weeks when details are finalised, alternatively more information can be found at

🌐 wakefield.gov.uk/more-money-in-your-pocket/warm-spaces

Libraries will also be available as a warm community space for residents, where they can access books, free internet access, events, activities, learning opportunities, local history resources and more.
