

MANAGING YOUR WELLBEING AT WORK

Are you interested in improving your wellbeing at work, and helping to promote a healthier, more supportive workplace?

Join us for a free, 1 hour, online wellbeing workshop

TOPICS COVERED INCLUDE:

- Understanding what impacts on wellbeing both in work and outside of work
- Approaches on how to effectively communicate our needs at work
- Practice self-management techniques to help stay well at work
- Ways to create a more positive work-life balance
- Awareness of local support options available

WHY PARTICIPATE?

The workshop encourages those who participate to focus on how they can proactively take greater control of their own health and wellbeing in and out of work settings, to prevent ill health and improve their general wellbeing

The workshops provides an opportunity to focus on developing self-management strategies to support wellbeing now and into the future
